ÆOLIAN

Individuality in Playing.

Everyone can play the ÆOLIAN but no two alike. Some play more expression than others, even rendering Symphonies or Wagnerian Operas with better effect than the average orchestra.

With an ÆOLIAN in the home, the standard musical works are as available as the books of your library. In either case, it is simply a question of reading, or interpretation.

Description is useless. One must see the ÆOLIAN to understand and appreciate it.

CHRISTIAN WORKERS' CONVENTION

Program for the gathering in New Haven begins—November 7.

The ninth annual convention of Christian Workers in the United States and Canada will be held in this city for eight days, beginning November 7. The general plan of convention is consideration of Christian work among classes not reached by the ordinary ministrations of the church. The work consists of brief reports of methods in various fields, each worker telling something which he has been used to accomplish. Philanthropic, reformatory, or phases of work not directly spiritual are considered only when auxiliary to or directly connected with spiritual effort. No theories, "isms," or divisive subjects will be taken up, but the largest liberty is allowed for discussion of opinion, and frank expression of views along the lines of legitimate work of the convention.

The convention is held under the auspices of the International Christian Workers' association, whose managing committee make the program and enforce rules governing convention work. The chairman and secretary of the convention are the Rev. Dr. A. Torrey and the Rev. J. M. Stuffer, a former pastor of the First Baptist church, this city, and others; work among fallen women; gospel meetings; special phases of Christian work with illustrations of particular forms of work in Canada and in Scotland; rescue mission work; work among foreign population; Christian evidences; Christian work in country districts; philanthropic and auxiliary to Christian work; the pastor as an evangelist; state and national evangelization efforts; Christian work in colleges; Christian trade school work; daily prayer meetings; Christian work in Armenia, by an Armenian, graduate of Yale theological seminary; Christian work among workingmen.

MEETING HELD YESTERDAY. The reception committee had a meeting yesterday in the parlors of the Y. M. C. A. Mr. Denison B. Tucker, chairman of the reception committee, presided. Arrangements were made concerning badges for delegates, and committees were appointed to take charge of the decorating of Calvary Baptist church, where the convention will be held. Plans were also made regarding the reception of the delegates.

State officials of the Connecticut Christian Endeavor societies are planning to have delegates present from every city in the state, and every mail is bringing in names of delegates who are to be here from every part of the country. It is expected that there will be present between 2,000 and 3,000 delegates, representing all parts of the United States and Canada.

RECEPTION TO RUSSELL H. CON-

WELL.

A reception will be held at the United church chapel at Temple street this afternoon from 5 until 7:30 o'clock, at which the city pastors and gentlemen from the various churches will meet Rev. Russell H. Conwell of Philadelphia who is to lecture to-night at the Church of the Redeemer. Tea is to be served by the ladies' committee of the coming Christian Workers' convention, and afterwards opportunity will be given to meet Mr. Conwell, who will make a short address concerning the convention of Christian Workers, telling how it differs from other conventions, its special value to the churches, to the delegates and to the community in which it is held.

Brief addresses will also be made by Rev. Watson L. Phillips, pastor of the Church of the Redeemer, and Rev. John H. Mason, John T. Manson, chairman of the local executive committee, will preside.

Child Run Over.

At 1:30 o'clock yesterday afternoon a little child of Mrs. You Fong Lee was run over on Crown street by a team driven by C. E. Minor, the Wooster street grocery man. The wagon struck the child, who was cut and bruised. Mr. Minor stopped and took the child into a physician's office. It is not thought that the injuries are serious.

WEST HAVEN.

Senator Graham Quite Ill. Hon. James Graham is confined to his house with an aggravated case of inflammatory rheumatism.

All are rejoiced to see W. W. Ward able to be out again. Mr. Ward has recovered from his prostrating and dangerous illness of several months ago as to be able to be about on fine days, and to give personal attention to some of his varied business interests. His health does not permit him to engage in affairs with his old time activity. He has been an extremely active man, and one of great value to West Haven.

The Store Exploded.

A stove exploded yesterday afternoon in a house at the corner of Congress avenue and Redfield street. It is supposed that an accumulation of gas caused the explosion. The concussion wrought havoc with the building, breaking windows and smashing things generally. The hot coals were scattered about the house.

EPISCOPAL CONVENTION.

The General Convention of the Protestant Episcopal Church—Connecticut Delegates.

The general convention of the Protestant Episcopal church will begin its sessions in Minneapolis to-day. The delegates from this state are: Clerical, Rev. Edward Harwood, D. D., Rev. E. S. Lines of this city, Rev. Charles E. Woodcock of Ansonia and Rev. Oliver H. Raftery of Portland; lay delegates, Charles E. Graves of this city, James J. Goodwin of Hartford, William W. Skidmore of Sanford and Benjamin Stark of New London; alternates, A. Heaton Robertson of this city, General L. A. Dickinson of Hartford, F. J. Kingsbury of Waterbury and Charles S. Johnson of Norwich. On October 14 Mr. Goodwin will return and Judge Robertson of this city will take his place in the convention.

One of the principal questions to be considered will be the recommendation of the special commission to take into consideration the plan of consolidating the dioceses into provinces to be presided over by an archbishop. If provinces are sanctioned, there is likely to be the province of New England. At present there is a diocese for each of the New England states and five in New York state, and it is believed these eleven dioceses will be consolidated into the province of New England and that Bishop Potter of New York will be elected archbishop.

THE COMING GAMES.

Question of the Superiority of Yale or Cambridge Over Also-blue Interest.

Next Saturday will decide the all-absorbing question as to whether the dark blue of Yale or the blue of Cambridge will wave triumphant at the university games in New York.

The only previous inter-university meeting was between Yale and Oxford in the summer of 1894, when the Englishmen defeated Yale 54 to 34 points. This year good athletic judges expect to see the tables turned. Yale certainly has a fine list of athletes, the pick of the university.

Lewis P. Sheldon, captain of the Yale track team, is evidently hopeful of victory. The English team is composed of about fifteen men, which will be the number to make up the Yale team. This will be more equal than the case with the Yale men in England, when the numbers were fifteen to nine in favor of the Oxford men. The make-up of the teams has been definitely decided upon, also the order in which the events of the program will be run. They are as follows:

100-Yard Dash—Cambridge, G. Homer Williams, E. H. Wilding, C. H. Lewis; Yale, W. M. Richards, R. W. Burnett, Jr.

100-Yard Hurdle Race, on Clinders—Cambridge, L. E. Pilkington, William Fletcher; Yale, E. H. Cady, G. B. Hatch.

High Jump—Cambridge, A. B. Johnston, F. N. Jennings; Yale, J. H. Thompson, Jr., L. P. Sheldon.

200-Yard Hurdle Race, on Clinders, Fitz Herbert, C. H. Lewis; Yale, W. M. Richards, D. C. Byers.

Putting 16-Pound Shot—Cambridge, E. J. Watson; Yale, W. O. Hickok, A. Brown.

Half-Mile Run—Cambridge, F. S. Horan, H. J. Davenport, C. H. Lewis; Yale, P. W. Crane, F. E. Wade.

Broad Jump—Cambridge, W. Mendonson; Yale, L. P. Sheldon, R. Mitchell.

1-Mile Run—Cambridge, W. E. Lutyens, J. T. Davenport, F. S. Horan; Yale, J. E. Morgan, W. H. Wadhams.

Throwing 16-Pound Hammer—Cambridge, A. B. Johnston, F. N. Jennings; Yale, W. O. Hickok, H. P. Cross, C. Chadwick.

Quarter-Mile Run—Cambridge, W. Fitz Herbert, C. H. Lewis, E. H. Wilding; Yale, W. M. Richards, G. F. Hatch.

120-Yard Hurdle Race, on Turf—Cambridge, L. E. Pilkington, W. M. Fletcher; Yale, E. H. Cady, G. B. Hatch.

Marked With Smiles.

Washington, Oct. 1.—The first wedding of note to occur in the new St. Matthews church, was solemnized at noon to-day when Mr. Thomas F. Lane of New Jersey was married to Miss Lucille, eldest daughter of Senator J. C. Blackburn of Kentucky, by Rev. C. M. Bart. The ceremony was witnessed by only a few friends outside the members of the family, all the features of the occasion being marked with great simplicity and privacy.

THE OLD GUARD

SANFORD'S GINGER, tried and true, is so rich in health preserving properties in the midst of summer dangers that it is almost criminal to be without it. No other ginger is so pure, so speedy, and safe. For the stomach, bowels, and nerves, for colds, chills, and touches of rheumatism, it is a panacea without an equal.

Containing among its ingredients the purest of medicinal French brandy and the best of imported ginger, it is vastly superior to the cheap, worthless, and often dangerous gingers urged as substitutes. Ask for SANFORD'S GINGER and look for our trade mark on the wrapper. Sold everywhere. For Sale by C. C. CONN, Sole Proprietors, Boston.

TO SEE THE LAUNCH.
